TO WHOM IT MAY CONCERN;

I AM WRITING THIS LETTER IN OVERWHELMING CONCERN AND SUPPORT OF THE GULLEY AND THE DIMPLE DELL REGIONAL PARK. MY NAME IS CHRIS BABINSKI, I AM AN ASSISTANT CROSS COUNTRY COACH AND HEAD GIRLS TRACK COACH FOR SOME 20 YEARS NOW. FOR THE PAST 20 YEARS THESE AREAS ARE USED ON A DAILY BASIS BY THE CROSS COUNTRY RUNNERS AND TRACK RUNNERS AT JORDAN HIGH. THESE AREAS ARE SO DESIRED BECAUSE OF THE VARIED AND UNIQUE RUNNING SURFACES THAT THE GULLEY AND DIMPLE DELL OFFER VERSUS THE MANY ROADS/BLACK TOP/SIDEWALKS THAT SANDY CURRENTLY HAS. AS A RUNNER THE ABILITY TO RUN ON WOODCHIPS VS HARD SURFACES IS A SAVING GRACE. THE ABILITY TO RUN ON SAND, GRAVEL, WOOD CHIPS AND OTHER VARIED SURFACES NEEDS TO BE SAVED AND CHERISHED FOR MANY YEARS TO COME. THE SOFTER RUNNING SURFACES AND BEAUTY OFFERED BY THE GULLEY AND DIMPLE DELL PARK IS AN OASIS THAT NEEDS TO BE PRESERVED. THANKS FOR YOUR TIME, CONCERN AND INTEREST IN THIS MATTER.

SINCERELY;

CHRISTIAN BABINSKI
